

Specifications for the Upload of Digital Film and Audio Clips for TV/Radio Stations and Online Media

We provide TV/radio/online media (including their social media channels) with digital film and audio clips of the festival films. The clips are available for editorial coverage. We ask all producers/distributors to upload their clips on the Berlinale FileRun server.

Starting in **mid-January 2022**, you will receive the login details for your film. Your login gives you access to the FileRun server <http://files.kbb.eu>. Please save your file in the appropriate folder (name: film title).
